Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin # 23

The June change cycle was successfully completed on June 8, 2002. The following items were included in the June release. Please call the CMS Net Help Desk (916) 327-2378 or (866) 685-8449 if you have questions. Thank you for your patience with our monthly update cycles!.

- 1) Program Eligibility - Correction so the program end date calculates to the program begin date plus 364 days when PSA Status=Signed.
- 2) Paneling & Approvals - Remove the Panel Date and Panel Status from Paneled Provider screens.
- 3) New Management Reports - There will be two new management reports that will assist in providing the State with the figures for the Plan and Fiscal Guidelines. The reports are titled: Quarterly Caseload Count and Annual Caseload Count.

The Quarterly Caseload Count shall provide you with the quarterly Active and Pending (Potential) case counts broken down between Medi-Cal and Non Medi-Cal. Cases with Registration Status = "Active", but no aid code assigned on the Client Eligibility Screen will not be counted. The fourth quarter counts shall not be available until 7/1/02.

The Annual Caseload Count shall provide you with an average of the four quarters Active counts broken down between Medi-Cal and Non Medi-Cal. It shall also provide you an exact count of Pending (Potential) cases as of 6/30 of the given year. Example: The four quarter counts shall be totaled and divided by four to derive your annual average count. This report will not be available to be run until 7/1/02. Please advise your CCS Administrators that these reports were added to assist in providing your figures to the State for your Plan and Fiscal Guidelines

- 4) Enrollment/Assessment Fee Letter Generation - Removed the pop-up prompts indicating fields are missing during the letter generation process.
